

APPROVED AMCEN VIP AND DELEGATES HOTEL ACCOMMODATION

VERY IMPORTANT:

Dear Delegate – South Africa is preparing for the Soccer World Cup in 2010 and is therefore frequently hosting various meetings in preparation for this event. We therefore experience high occupancy at a number of hotels all over South Africa, especially in the Sandton area. It is advisable that you make your accommodation booking as soon as possible in order to prevent disappointment at the approved hotels identified during the AMCEN meeting. Please liaise with the Contact Persons as indicated in the table below when you make your booking and inform them that it is for the DEAT/AMCEN meeting. Transport will be provided between the O R Tambo International Airport in Johannesburg and the approved hotels listed below and the Sandton International Convention Center ONLY. Please inform Ms Esther Njenga at esther.njenga@unep.org of your arrival and departure dates.
