

Assistant Meteorological Technician: Gough Island (2 posts) (15 Month Contract) (OC05/2019)

Salary R196 407 per annum (plus 37% lieu in benefits). Permanent SAWS employees will have a different payment structure of benefits.

Centre: Gough Island Base

Minimum requirements:

- Matric with pure Mathematics and physical science or geography.
- Candidates must be willing to work shifts (both day and night shifts) and on public holidays, in possible adverse weather conditions.
- Candidates must be punctual, dedicated, precise and able to work in a team, as well as on their own.

Duties:

- Assist and actively participate in the running of the surface meteorological and atmospheric research project assigned by the Marine Section of SAWS;
- Perform surface meteorological observations, conduct upper-air balloon releases and maintain and verify all equipment at the remote station of Gough Island;
- Conduct quality control of data and report writing if and when required by the Senior Meteorological Technician;
- Assist other team members with logistical and administrative tasks associated with the general running of the base;
- Conduct all duties in accordance with the rules, regulations and standards as set out by the South African Weather Service.

NOTE: The incumbent will execute duties at a Sub/Antarctic Base and adhere to the health, safety and environmental requirements. The successful applicant will spend a full year (September 2019 to October 2020) at Gough Island base. **There is no option to return to South Africa before October 2020.** The ability to work and live with small groups of people is thus essential. Although the base is well-equipped with e-mail, fax and satellite telephone facilities, the applicant has to be self-sufficient and self-motivated. The location may affect both the physical and mental well-being of the incumbent, their family and close relationships. Candidates must be physically fit, mentally strong and prepared for physically challenging and satisfying work. In addition

the successful candidates may often be called upon to work long hours in extreme conditions on duties unrelated to their function. Short-listed candidates will be subjected to screening and security vetting to determine their suitability for employment. Appointment to these positions is subject to a rigorous medical examination, which will be arranged for at no cost to the applicant.

Enquiries: Mardené de Villiers or Tammy Morris, Tel: (021) 935 5700

Attention: Human Resource Management

Closing Date: 04 March 2019

-
- All applications must be submitted on a **Z83 application form** (*click bold underlined text to download PDF form*) accompanied by certified copies of qualifications, identity document (ID) as well as a comprehensive curriculum vitae (CV) and Driver's License in order to be considered.
 - The National Department of Environmental Affairs is an equal opportunity, affirmative action employer.
 - It is the applicant's responsibility to have foreign qualifications evaluated by the South African Qualification Authority (SAQA).
 - Correspondence will be limited to successful candidates only.
 - People with Disabilities are encouraged to apply
 - Short-listed candidates will be subjected to screening and security vetting to determine their suitability for employment, including but not limited to: Criminal records; Citizenship status; Credit-worthiness; Previous employment (reference checks); and Qualification verification.
