

Senior Meteorological Technician: SANAE IV (OC14/2019) (15 Month Contract)

Salary R257 508 per annum plus 37% lieu in benefits). Permanent SAWS employees will have a different payment structure of benefits.

Centre: Antarctica - SANAE IV Island Base

Requirements:

- National Weather Certificate or BSc Degree (Honours) in Natural Sciences or Previous Island Experience.
- Preference will be given to applicants who have been to the islands before.
- Candidates must be willing to work shifts (both day and night shifts), and on public holidays in possible adverse weather conditions.
- Candidates must be punctual, dedicated, precise and able to work in a team, as well as on their own.

Duties

- Oversee and coordinate surface meteorological and atmospheric research project assigned by the Marine Section of SAWS.
- Perform surface meteorological observations and maintain and verify all equipment at the remote station of SANAE IV.
- Conduct quality control of data, report writing and asset control.
- Assist other team members with logistical and administrative tasks associated with the general running of the base.
- Conduct all duties in accordance with the rules, regulations and standards as set out by the South African Weather Service.

NOTE: The incumbent will execute duties at a Sub/Antarctic Base and adhere to the health, safety and environmental requirements. The successful applicant will spend a full year (December 2019 to January 2021) at SANAE IV base. **There is no option to return to South Africa before January 2021.** The ability to work and live with small groups of people is thus essential. Although the base is well-equipped with e-mail, fax and satellite telephone facilities, the applicant has to be self-sufficient and self-motivated. The location may affect both the physical and mental well-being of the incumbent, their family and close relationships. Candidates must be physically fit, mentally strong and prepared for physically challenging and satisfying work. In addition the successful candidates may often be called upon to work long hours in extreme

conditions on duties unrelated to their function. Short-listed candidates will be subjected to screening and security vetting to determine their suitability for employment. Appointment to these positions is subject to a rigorous medical examination, which will be arranged for at no cost to the applicant.

For attention: Human Resource Management

Closing Date: 22 July 2019
