CERTIFICATE OF INDEPENDENT BID DETERMINATION

1 This Standard Bidding Document (SBD) must form part of all bids¹ invited.

2 Section 4 (1) (b) (iii) of the Competition Act No. 89 of 1998, as amended, prohibits an agreement between, or concerted practice by, firms, or a decision by an association of firms, if it is between parties in a horizontal relationship and if it involves collusive bidding (or bid rigging).² Collusive bidding is a pe se prohibition meaning that it cannot be justified under any grounds.

3 Treasury Regulation 16A9 prescribes that accounting officers and accounting authorities must take all reasonable steps to prevent abuse of the supply chain management system and authorizes accounting officers and accounting authorities to:

   a. disregard the bid of any bidder if that bidder, or any of its directors have abused the institution’s supply chain management system and or committed fraud or any other improper conduct in relation to such system.

   b. cancel a contract awarded to a supplier of goods and services if the supplier committed any corrupt or fraudulent act during the bidding process or the execution of that contract.

4 This SBD serves as a certificate of declaration that would be used by institutions to ensure that, when bids are considered, reasonable steps are taken to prevent any form of bid-rigging.

5 In order to give effect to the above, the attached Certificate of Bid Determination (SBD 9) must be completed and submitted with the bid:

¹ Includes price quotations, advertised competitive bids, limited bids and proposals.

² Bid rigging (or collusive bidding) occurs when businesses, that would otherwise be expected to compete, secretly conspire to raise prices or lower the quality of goods and / or services for purchasers who wish to acquire goods and / or services through a bidding process. Bid rigging is, therefore, an agreement between competitors not to compete.

16 Qualifying Small Enterprise (QSE)

A business with an annual turnover more than R10 million but less than R50 million qualifies as a Qualifying Smaller Enterprise (QSE). The QSE scorecard was gazetted in May 2015.

All QSE’s are required to use all 5 elements on the amended BEE Scorecard:
1. Ownership
2. Management Control
3. Skills Development
4. Enterprise and Supplier Development
5. Socio-Economic Development

A QSE which is 100% or more black owned automatically qualifies as a Level 1 BEE supplier. A QSE which is 51% Black Owned automatically qualifies as a Level 2 BEE supplier. Therefore a QSE entity of this nature only requires an affidavit in order to state their BEE level and is not required to conduct a full verification.

Please note a QSE for Specialised Enterprises which is 75% or more black owned automatically qualifies as a Level 1 BEE supplier. A QSE which is 51% Black Owned automatically qualifies as a Level 2 BEE supplier. Therefore a QSE entity of this nature only requires an affidavit in order to state their BEE level and is not required to conduct a full verification.

QSEs are required to qualify under one of the following criteria in order to receive a QSE certificate;

- At least 25% of costs of sales excluding labour costs and depreciation must be procured from local producers or local supplier in SA (for service industry labour cost are included but capped to 15%)
- 50% of jobs created are for black people provided that the number of black employees since the immediate prior verified B-BBEE measurement is maintained.
- At least 25% transformation of raw material/beneficiation which include local manufacturing, production and/or assembly, and/or packaging.
- At least spend 12 days per annum of productivity deployed in assisting black EME's and QSE's beneficiaries to increase their operation or financial capacity.
- At least 85% of labour costs should be paid to South African employees by service industry entities.

17 Exempted Micro Enterprises (EME's)

- With the new B-BBEE Codes of Good Practice gazetted on 11 October 2013, enterprises with an annual turnover less than R10 million qualify as an EME. Please note that this does not apply to those who fall within gazetted Sector Codes (i.e those in Construction, Forestry, Tourism, Transport, Chartered Accountancy (CA), Information and Communication Technology (ICT), Property, Agriculture, Financial Services) until these Sector Codes have been updated. The only requirement is a Sworn Affidavit confirming turnover for the past 12 months and the level of black ownership of an enterprise. EMEs then automatically qualify as follows:
  - <51% Black owned will qualify for Level 4 BEE status
  - ≥51% but <100% Black owned will qualify for Level 2
  - 100% Black Owned will qualify for Level 1
