TAX CLEARANCE CERTIFICATE REQUIREMENTS

It is a condition of bid that the taxes of the successful bidder must be in order, or that satisfactory arrangements have been made with South African Revenue Service (SARS) to meet the bidder's tax obligations.

1. In order to meet this requirement bidders are required to complete in full the attached form TCC 001 "Application for a Tax Clearance Certificate" and submit it to any SARS branch office nationally. The Tax Clearance Certificate Requirements are also applicable to foreign bidders / individuals who wish to submit bids.

2. SARS will then furnish the bidder with a Tax Clearance Certificate that will be valid for a period of 1 (one) year from the date of approval.

3. The original Tax Clearance Certificate must be submitted together with the bid. Failure to submit the original and valid Tax Clearance Certificate will result in the invalidation of the bid. Certified copies of the Tax Clearance Certificate will not be acceptable.

4. In bids where Consortia / Joint Ventures / Sub-contractors are involved, each party must submit a separate Tax Clearance Certificate.

6. Applications for the Tax Clearance Certificates may also be made via eFiling. In order to use this provision, taxpayers will need to register with SARS as eFilers through the website www.sars.gov.za.

This preference form must form part of all bids invited. It contains general information and serves as a claim form for Historically Disadvantaged Individual (HDI) preference points as well as a summary for preference points claimed for attainment of other specified goals.

NB: BEFORE COMPLETING THIS FORM, BIDDERS MUST STUDY THE GENERAL CONDITIONS, DEFINITIONS AND DIRECTIVES APPLICABLE IN RESPECT OF EQUITY OWNERSHIP BY HISTORICALLY DISADVANTAGED INDIVIDUALS (HDIs), AS PRESCRIBED IN THE PREFERENTIAL PROCUREMENT REGULATIONS, 2001.

1. GENERAL CONDITIONS

1.1 The following preference point systems are applicable to all bids:
   - the 80/20 system for requirements with a Rand value of up to R500,000; and
   - the 90/10 system for requirements with a Rand value above R500,000.

1.2 The value of this bid is estimated to be above R500,000 and therefore the 90/10 system shall be applicable.

1.3 Preference points for this bid shall be awarded for:
   (a) Price; and
   (b) Specific contract participation goals, as specified in the attached forms.

1.3.1 The points for this bid are allocated as follows:

<table>
<thead>
<tr>
<th>PRICE</th>
<th>TECHNICAL</th>
<th>POINTS</th>
</tr>
</thead>
<tbody>
<tr>
<td>1.3.1.1</td>
<td></td>
<td>90</td>
</tr>
<tr>
<td>1.3.1.2 SPECIFIC CONTRACT PARTICIPATION GOALS</td>
<td></td>
<td>60</td>
</tr>
</tbody>
</table>

(a) Historically Disadvantaged Individuals:
   (i) who had no franchise in national elections before the 1983 and 1993 Constitutions
   (ii) who is a female black / white
   (iii) who has a disability

(b) Other specific goals (goals of the RDP- plus local manufacture)
   (i) ...........................................
   (ii) ...........................................
   (iii) ...........................................
   (iv) ...........................................

Total points for Price, HDI's and other RDP- goals must not exceed 100

Separate Preference Points Claim Forms will be used for the promotion of the specific goals for which points have been allocated in paragraph 1.3.1.2 (b) above.
1.4 Failure on the part of a bidder to fill in and/or to sign this form may be interpreted to mean that preference points are not claimed.

1.5 The purchaser reserves the right to require of a bidder, either before a bid is adjudicated or at any time subsequently, to substantiate any claim in regard to preferences, in any manner required by the purchaser.

2. GENERAL DEFINITIONS

2.1 "Acceptable bid" means any bid which, in all respects, complies with the specifications and conditions of bid as set out in the bid document.

2.2 "Bid" means a written offer in a prescribed or stipulated form in response to an invitation by an organ of state for the provision of goods, works or services.

2.3 "Comparative price" means the price after the factors of a non-firm price and all unconditional discounts that can be utilised have been taken into consideration.

2.4 "Consortium or joint venture" means an association of persons for the purpose of combining their expertise, property, capital, efforts, skills and knowledge in an activity for the execution of a contract.

2.5 "Contract" means the agreement that results from the acceptance of a bid by an organ of state.

2.6 "Specific contract participation goals" means the goals as stipulated in the Preferential Procurement Regulations 2001.

2.6.1 In addition to above-mentioned goals, the Regulations [12.(1)] also make provision for organs of state to give particular consideration to procuring locally manufactured products.

2.7 "Control" means the possession and exercise of legal authority and power to manage the assets, goodwill and daily operations of a business and the active and continuous exercise of appropriate managerial authority and power in determining the policies and directing the operations of the business.

2.8 "Disability" means, in respect of a person, a permanent impairment of a physical, intellectual, or sensory function, which results in restricted, or lack of, ability to perform an activity in the manner, or within the range, considered normal for a human being.

2.9 "Equity Ownership" means the percentage ownership and control, exercised by individuals within an enterprise.

2.10 "Historically Disadvantaged Individual (HDI)" means a South African citizen

(1) who, due to the apartheid policy that had been in place, had no franchise in national elections prior to the introduction of the Constitution of the Republic of South Africa, 1983 (Act No 110 of 1983) or the Constitution of the Republic of South Africa, 1993, (Act No 200 of 1993) ("the interim Constitution); and/or

(2) who is a female; and/or

(3) who has a disability:

provided that a person who obtained South African citizenship on or after the coming to effect of the Interim Constitution, is deemed not to be a HDI;

2.11 "Management" means an activity inclusive of control and performed on a daily basis, by any person who is a principal executive officer of the company, by whatever name that person may be designated, and whether or not that person is a director.

2.12 "Owned" means having all the customary elements of ownership, including the right of decision-making and sharing all the risks and profits commensurate with the degree of ownership interests as demonstrated by an examination of the substance, rather than the form of ownership arrangements.
2.13 "Person" includes reference to a juristic person.

2.14 "Rand value" means the total estimated value of a contract in Rand denomination that is calculated at the time of bid invitations and includes all applicable taxes and excise duties.

2.15 "Small, Medium and Micro Enterprises (SMMEs)" bears the same meaning assigned to this expression in the National Small Business Act, 1996 (No 102 of 1996).

2.16 "Sub-contracting" means the primary contractor's assigning or leasing or making out work to, or employing another person to support such primary contractor in the execution of part of a project in terms of the contract.

2.17 "Trust" means the arrangement through which the property of one person is made over or bequeathed to a trustee to administer such property for the benefit of another person.

2.18 "Trustee" means any person, including the founder of a trust, to whom property is bequeathed in order for such property to be administered for the benefit of another person.

3. ESTABLISHMENT OF HDI EQUITY OWNERSHIP IN AN ENTERPRISE

3.1 Equity ownership shall be equated to the percentage of an enterprise which is owned by individuals classified as HDIs, or in the case of a company, the percentage shares that are owned by individuals classified as HDIs, who are actively involved in the management and daily business operations of the enterprise and exercise control over the enterprise, commensurate with their degree of ownership.

3.2 Where individuals are not actively involved in the management and daily business operations and do not exercise control over the enterprise commensurate with their degree of ownership, equity ownership may not be claimed.

4. ADJUDICATION USING A POINT SYSTEM

4.1 The bidder obtaining the highest number of points will be awarded the contract.

4.2 Preference points shall be calculated after prices have been brought to a comparative basis.

4.3 Points scored will be rounded off to 2 decimal places.

4.4 In the event of equal points scored, the bid will be awarded to the bidder scoring the highest number of points for specified goals.

5. POINTS AWARDED FOR PRICE

5.1 THE 80/20 OR 90/10 PREFERENCE POINT SYSTEMS

A maximum of 80 or 90 points is allocated for price on the following basis:

\[ P_s = 80 \left(1 - \frac{P_t - P_{\text{min}}}{P_{\text{min}}} \right) \]

\[ P_s = 90 \left(1 - \frac{P_t - P_{\text{min}}}{P_{\text{min}}} \right) \]
Where

\[ \text{Ps} = \text{Points scored for price of bid under consideration} \]
\[ \text{Pt} = \text{Rand value of bid under consideration} \]
\[ \text{Pmin} = \text{Rand value of lowest acceptable bid} \]

6. **Points awarded for historically disadvantaged individuals**

6.1 In terms of Regulation 13 (2) preference points for HDI's are calculated on their percentage shareholding in a business, provided that they are actively involved in and exercise control over the enterprise. The following formula is prescribed in Regulation 13 (5) (c):

\[ \text{NEP} = \frac{\text{NOP} \times \text{EP}}{100} \]

Where

\( \text{NEP} \) = Points awarded for equity ownership by an HDI
\( \text{NOP} \) = The maximum number of points awarded for equity ownership by an HDI in that specific category
\( \text{EP} \) = The percentage of equity ownership by an HDI within the enterprise or business, determined in accordance with the definition of HDI's.

6.2 Equity claims for a trust will only be allowed in respect of those persons who are both trustees and beneficiaries and who are actively involved in the management of the trust.

6.3 Documentation to substantiate the validity of the credentials of the trustees contemplated above must be submitted.

6.4 A consortium or joint venture may, based on the percentage of the contract value managed or executed by their HDI-members, be entitled to preference points in respect of an HDI.

6.5 A person awarded a contract as a result of preference for contracting with, or providing equity ownership to an HDI, may not subcontract more than 25% of the value of the contract to a person who is not an HDI or does not qualify for the same number or more preference for equity ownership.

7. **BID DECLARATION**

7.1 Bidders who claim points in respect of equity ownership must complete the Bid Declaration at the end of this form.

8. **EQUITY OWNERSHIP CLAIMED IN TERMS OF PARAGRAPH 2.10 ABOVE. POINTS TO BE CALCULATED FROM INFORMATION FURNISHED IN PARAGRAPH 9.8.**

CERTIFICATE OF INDEPENDENT BID DETERMINATION

1 This Standard Bidding Document (SBD) must form part of all bids invited.

2 Section 4 (1) (b) (iii) of the Competition Act No. 89 of 1998, as amended, prohibits an agreement between, or concerted practice by, firms, or a decision by an association of firms, if it is between parties in a horizontal relationship and if it involves collusive bidding (or bid rigging). Collusive bidding is a \textit{per se} prohibition meaning that it cannot be justified under any grounds.

3 Treasury Regulation 16A9 prescribes that accounting officers and accounting authorities must take all reasonable steps to prevent abuse of the supply chain management system and authorizes accounting officers and accounting authorities to:
   a. disregard the bid of any bidder if that bidder, or any of its directors have abused the institution’s supply chain management system and or committed fraud or any other improper conduct in relation to such system.
   b. cancel a contract awarded to a supplier of goods and services if the supplier committed any corrupt or fraudulent act during the bidding process or the execution of that contract.

4 This SBD serves as a certificate of declaration that would be used by institutions to ensure that, when bids are considered, reasonable steps are taken to prevent any form of bid-rigging.

5 In order to give effect to the above, the attached Certificate of Bid Determination (SBD 9) must be completed and submitted with the bid:

1 Includes price quotations, advertised competitive bids, limited bids and proposals.

* Bid rigging (or collusive bidding) occurs when businesses, that would otherwise be expected to compete, secretly conspire to raise prices or lower the quality of goods and / or services for purchasers who wish to acquire goods and / or services through a bidding process. Bid rigging is, therefore, an agreement between competitors not to compete.
CERTIFICATE OF INDEPENDENT BID DETERMINATION

I, the undersigned, in submitting the accompanying bid:

___________________________________________

(Bid Number and Description)

in response to the invitation for the bid made by:

___________________________________________

(Name of Institution)

do hereby make the following statements that I certify to be true and complete in every respect:

I certify, on behalf of: _________________________________ that:

(Name of Bidder)

1. I have read and I understand the contents of this Certificate;
2. I understand that the accompanying bid will be disqualified if this Certificate is found not to be true and complete in every respect;
3. I am authorized by the bidder to sign this Certificate, and to submit the accompanying bid, on behalf of the bidder;
4. Each person whose signature appears on the accompanying bid has been authorized by the bidder to determine the terms of, and to sign the bid, on behalf of the bidder;
5. For the purposes of this Certificate and the accompanying bid, I understand that the word "competitor" shall include any individual or organization, other than the bidder, whether or not affiliated with the bidder, who:

(a) has been requested to submit a bid in response to this bid invitation;
(b) could potentially submit a bid in response to this bid invitation, based on their qualifications, abilities or experience; and
(c) provides the same goods and services as the bidder and/or is in the same line of business as the bidder
6. The bidder has arrived at the accompanying bid independently from, and without consultation, communication, agreement or arrangement with any competitor. However communication between partners in a joint venture or consortium\(^3\) will not be construed as collusive bidding.

7. In particular, without limiting the generality of paragraphs 6 above, there has been no consultation, communication, agreement or arrangement with any competitor regarding:
   (a) prices;
   (b) geographical area where product or service will be rendered (market allocation)
   (c) methods, factors or formulas used to calculate prices;
   (d) the intention or decision to submit or not to submit, a bid;
   (e) the submission of a bid which does not meet the specifications and conditions of the bid; or
   (f) bidding with the intention not to win the bid.

8. In addition, there have been no consultations, communications, agreements or arrangements with any competitor regarding the quality, quantity, specifications and conditions or delivery particulars of the products or services to which this bid invitation relates.

9. The terms of the accompanying bid have not been, and will not be, disclosed by the bidder, directly or indirectly, to any competitor, prior to the date and time of the official bid opening or of the awarding of the contract.

\(^3\) Joint venture or Consortium means an association of persons for the purpose of combining their expertise, property, capital, efforts, skill and knowledge in an activity for the execution of a contract.
10. I am aware that, in addition and without prejudice to any other remedy provided to combat any restrictive practices related to bids and contracts, bids that are suspicious will be reported to the Competition Commission for investigation and possible imposition of administrative penalties in terms of section 59 of the Competition Act No 89 of 1998 and or may be reported to the National Prosecuting Authority (NPA) for criminal investigation and or may be restricted from conducting business with the public sector for a period not exceeding ten (10) years in terms of the Prevention and Combating of Corrupt Activities Act No 12 of 2004 or any other applicable legislation.

NOTES

The purpose of this document is to:

(i) Draw special attention to certain general conditions applicable to government bids, contracts and orders; and
(ii) To ensure that clients be familiar with regard to the rights and obligations of all parties involved in doing business with government.

In this document words in the singular also mean in the plural and vice versa and words in the masculine also mean in the feminine and neuter.

- The General Conditions of Contract will form part of all bid documents and may not be amended.
- Special Conditions of Contract (SCC) relevant to a specific bid, should be compiled separately for every bid (if applicable) and will supplement the General Conditions of Contract. Whenever there is a conflict, the provisions in the SCC shall prevail.

1. Definitions

1. The following terms shall be interpreted as indicated:

1.1 "Closing time" means the date and hour specified in the bidding documents for the receipt of bids.

1.2 "Contract" means the written agreement entered into between the purchaser and the supplier, as recorded in the contract form signed by the parties, including all attachments and appendices thereto and all documents incorporated by reference therein.

1.3 "Contract price" means the price payable to the supplier under the contract for the full and proper performance of his contractual obligations.

1.4 "Corrupt practice" means the offering, giving, receiving, or soliciting of anything of value to influence the action of a public official in the procurement process or in contract execution.

1.5 "Countervailing duties" are imposed in cases where an enterprise abroad is subsidized by its government and encouraged to market its products internationally.

1.6 "Country of origin" means the place where the goods were mined, grown or produced or from which the services are supplied. Goods are produced when, through manufacturing, processing or substantial and major assembly of components, a commercially recognized new product results that is substantially different in basic characteristics or in purpose or utility from its components.

1.7 "Day" means calendar day.

1.8 "Delivery" means delivery in compliance of the conditions of the contract or order.

1.9 "Delivery ex stock" means immediate delivery directly from stock actually on hand.

1.10 "Delivery into consignees store or to his site" means delivered and unloaded in the specified store or depot or on the specified site in compliance with the conditions of the contract or order, the supplier bearing all risks and charges involved until the supplies are so delivered and a valid receipt is obtained.

1.11 "Dumping" occurs when a private enterprise abroad market its goods on own initiative in the RSA at lower prices than that of the country of origin and which have the potential to harm the local industries in the
1.12 "Force majeure" means an event beyond the control of the supplier and not involving the supplier's fault or negligence and not foreseeable. Such events may include, but is not restricted to, acts of the purchaser in its sovereign capacity, wars or revolutions, fires, floods, epidemics, quarantine restrictions and freight embargoes.

1.13 "Fraudulent practice" means a misrepresentation of facts in order to influence a procurement process or the execution of a contract to the detriment of any bidder, and includes collusive practice among bidders (prior to or after bid submission) designed to establish bid prices at artificial non-competitive levels and to deprive the bidder of the benefits of free and open competition.

1.14 "GCC" means the General Conditions of Contract.

1.15 "Goods" means all of the equipment, machinery, and/or other materials that the supplier is required to supply to the purchaser under the contract.

1.16 "Imported content" means that portion of the bidding price represented by the cost of components, parts or materials which have been or are still to be imported (whether by the supplier or his subcontractors) and which costs are inclusive of the costs abroad, plus freight and other direct importation costs such as landing costs, dock dues, import duty, sales duty or other similar tax or duty at the South African place of entry as well as transportation and handling charges to the factory in the Republic where the supplies covered by the bid will be manufactured.

1.17 "Local content" means that portion of the bidding price which is not included in the imported content provided that local manufacture does take place.

1.18 "Manufacture" means the production of products in a factory using labour, materials, components and machinery and includes other related value-adding activities.

1.19 "Order" means an official written order issued for the supply of goods or works or the rendering of a service.

1.20 "Project site," where applicable, means the place indicated in bidding documents.

1.21 "Purchaser" means the organization purchasing the goods.

1.22 "Republic" means the Republic of South Africa.

1.23 "SCC" means the Special Conditions of Contract.

1.24 "Services" means those functional services ancillary to the supply of the goods, such as transportation and any other incidental services, such as installation, commissioning, provision of technical assistance, training, catering, gardening, security, maintenance and other such
2. Application

2.1 These general conditions are applicable to all bids, contracts and orders including bids for functional and professional services, sales, hiring, letting and the granting or acquiring of rights, but excluding immovable property, unless otherwise indicated in the bidding documents.

2.2 Where applicable, special conditions of contract are also laid down to cover specific supplies, services or works.

2.3 Where such special conditions of contract are in conflict with these general conditions, the special conditions shall apply.

3. General

3.1 Unless otherwise indicated in the bidding documents, the purchaser shall not be liable for any expense incurred in the preparation and submission of a bid. Where applicable a non-refundable fee for documents may be charged.

3.2 With certain exceptions, invitations to bid are only published in the Government Tender Bulletin. The Government Tender Bulletin may be obtained directly from the Government Printer, Private Bag X85, Pretoria 0001, or accessed electronically from www.treasury.gov.za

4. Standards

4.1 The goods supplied shall conform to the standards mentioned in the bidding documents and specifications.

5. Use of contract documents and information; inspection.

5.1 The supplier shall not, without the purchaser’s prior written consent, disclose the contract, or any provision thereof, or any specification, plan, drawing, pattern, sample, or information furnished by or on behalf of the purchaser in connection therewith, to any person other than a person employed by the supplier in the performance of the contract. Disclosure to any such employed person shall be made in confidence and shall extend only so far as may be necessary for purposes of such performance.

5.2 The supplier shall not, without the purchaser’s prior written consent, make use of any document or information mentioned in GCC clause 5.1 except for purposes of performing the contract.

5.3 Any document, other than the contract itself mentioned in GCC clause 5.1 shall remain the property of the purchaser and shall be returned (all copies) to the purchaser on completion of the supplier’s performance under the contract if so required by the purchaser.

5.4 The supplier shall permit the purchaser to inspect the supplier’s records relating to the performance of the supplier and to have them audited by auditors appointed by the purchaser, if so required by the purchaser.

6. Patent rights

6.1 The supplier shall indemnify the purchaser against all third-party claims of infringement of patent, trademark, or industrial design rights arising from use of the goods or any part thereof by the purchaser.

1.25 “Written” or “in writing” means handwritten in ink or any form of electronic or mechanical writing.
7. Performance security

7.1 Within thirty (30) days of receipt of the notification of contract award, the successful bidder shall furnish to the purchaser the performance security of the amount specified in SCC.

7.2 The proceeds of the performance security shall be payable to the purchaser as compensation for any loss resulting from the supplier's failure to complete his obligations under the contract.

7.3 The performance security shall be denominated in the currency of the contract, or in a freely convertible currency acceptable to the purchaser and shall be in one of the following forms:

(a) a bank guarantee or an irrevocable letter of credit issued by a reputable bank located in the purchaser's country or abroad, acceptable to the purchaser, in the form provided in the bidding documents or another form acceptable to the purchaser; or

(b) a cashier's or certified cheque

7.4 The performance security will be discharged by the purchaser and returned to the supplier not later than thirty (30) days following the date of completion of the supplier's performance obligations under the contract, including any warranty obligations, unless otherwise specified in SCC.

8. Inspections, tests and analyses

8.1 All pre-bidding testing will be for the account of the bidder.

8.2 If it is a bid condition that supplies to be produced or services to be rendered should at any stage during production or execution or on completion be subject to inspection, the premises of the bidder or contractor shall be open, at all reasonable hours, for inspection by a representative of the Department or an organization acting on behalf of the Department.

8.3 If there are no inspection requirements indicated in the bidding documents and no mention is made in the contract, but during the contract period it is decided that inspections shall be carried out, the purchaser shall itself make the necessary arrangements, including payment arrangements with the testing authority concerned.

8.4 If the inspections, tests and analyses referred to in clauses 8.2 and 8.3 show the supplies to be in accordance with the contract requirements, the cost of the inspections, tests and analyses shall be defrayed by the purchaser.

8.5 Where the supplies or services referred to in clauses 8.2 and 8.3 do not comply with the contract requirements, irrespective of whether such supplies or services are accepted or not, the cost in connection with these inspections, tests or analyses shall be defrayed by the supplier.

8.6 Supplies and services which are referred to in clauses 8.2 and 8.3 and which do not comply with the contract requirements may be rejected.

8.7 Any contract supplies may on or after delivery be inspected, tested or
analyzed and may be rejected if found not to comply with the requirements of the contract. Such rejected supplies shall be held at the cost and risk of the supplier who shall, when called upon, remove them immediately at his own cost and forthwith substitute them with supplies which do comply with the requirements of the contract. Failing such removal the rejected supplies shall be returned at the suppliers cost and risk. Should the supplier fail to provide the substitute supplies forthwith, the purchaser may, without giving the supplier further opportunity to substitute the rejected supplies, purchase such supplies as may be necessary at the expense of the supplier.

8.8 The provisions of clauses 8.4 to 8.7 shall not prejudice the right of the purchaser to cancel the contract on account of a breach of the conditions thereof, or to act in terms of Clause 23 of GCC.

9. Packing

9.1 The supplier shall provide such packing of the goods as is required to prevent their damage or deterioration during transit to their final destination, as indicated in the contract. The packing shall be sufficient to withstand, without limitation, rough handling during transit and exposure to extreme temperatures, salt and precipitation during transit, and open storage. Packing, case size and weights shall take into consideration, where appropriate, the remoteness of the goods' final destination and the absence of heavy handling facilities at all points in transit.

9.2 The packing, marking, and documentation within and outside the packages shall comply strictly with such special requirements as shall be expressly provided for in the contract, including additional requirements, if any, specified in SCC, and in any subsequent instructions ordered by the purchaser.

10. Delivery and documents

10.1 Delivery of the goods shall be made by the supplier in accordance with the terms specified in the contract. The details of shipping and/or other documents to be furnished by the supplier are specified in SCC.

10.2 Documents to be submitted by the supplier are specified in SCC.

11. Insurance

11.1 The goods supplied under the contract shall be fully insured in a freely convertible currency against loss or damage incidental to manufacture or acquisition, transportation, storage and delivery in the manner specified in the SCC.

12. Transportation

12.1 Should a price other than an all-inclusive delivered price be required, this shall be specified in the SCC.

13. Incidental services

13.1 The supplier may be required to provide any or all of the following services, including additional services, if any, specified in SCC:

(a) performance or supervision of on-site assembly and/or commissioning of the supplied goods;
(b) furnishing of tools required for assembly and/or maintenance of the supplied goods;
(c) furnishing of a detailed operations and maintenance manual for each appropriate unit of the supplied goods;
14. Spare parts

14.1 As specified in SCC, the supplier may be required to provide any or all of the following materials, notifications, and information pertaining to spare parts manufactured or distributed by the supplier:

(a) such spare parts as the purchaser may elect to purchase from the supplier, provided that this election shall not relieve the supplier of any warranty obligations under the contract; and

(b) in the event of termination of production of the spare parts:
   (i) Advance notification to the purchaser of the pending termination, in sufficient time to permit the purchaser to procure needed requirements; and
   (ii) following such termination, furnishing at no cost to the purchaser, the blueprints, drawings, and specifications of the spare parts, if requested.

15. Warranty

15.1 The supplier warrants that the goods supplied under the contract are new, unused, of the most recent or current models, and that they incorporate all recent improvements in design and materials unless provided otherwise in the contract. The supplier further warrants that all goods supplied under this contract shall have no defect, arising from design, materials, or workmanship (except when the design and/or material is required by the purchaser's specifications) or from any act or omission of the supplier, that may develop under normal use of the supplied goods in the conditions prevailing in the country of final destination.

15.2 This warranty shall remain valid for twelve (12) months after the goods, or any portion thereof as the case may be, have been delivered to and accepted at the final destination indicated in the contract, or for eighteen (18) months after the date of shipment from the port or place of loading in the source country, whichever period concludes earlier, unless specified otherwise in SCC.

15.3 The purchaser shall promptly notify the supplier in writing of any claims arising under this warranty.

15.4 Upon receipt of such notice, the supplier shall, within the period specified in SCC and with all reasonable speed, repair or replace the defective goods or parts thereof, without costs to the purchaser.

15.5 If the supplier, having been notified, fails to remedy the defect(s) within the period specified in SCC, the purchaser may proceed to take
16. Payment
16.1 The method and conditions of payment to be made to the supplier under this contract shall be specified in SCC.

16.2 The supplier shall furnish the purchaser with an invoice accompanied by a copy of the delivery note and upon fulfillment of other obligations stipulated in the contract.

16.3 Payments shall be made promptly by the purchaser, but in no case later than thirty (30) days after submission of an invoice or claim by the supplier.

16.4 Payment will be made in Rand unless otherwise stipulated in SCC.

17. Prices
17.1 Prices charged by the supplier for goods delivered and services performed under the contract shall not vary from the prices quoted by the supplier in his bid, with the exception of any price adjustments authorized in SCC or in the purchaser's request for bid validity extension, as the case may be.

18. Contract amendments
18.1 No variation in or modification of the terms of the contract shall be made except by written amendment signed by the parties concerned.

19. Assignment
19.1 The supplier shall not assign, in whole or in part, its obligations to perform under the contract, except with the purchaser's prior written consent.

20. Subcontracts
20.1 The supplier shall notify the purchaser in writing of all subcontracts awarded under this contracts if not already specified in the bid. Such notification, in the original bid or later, shall not relieve the supplier from any liability or obligation under the contract.

21. Delays in the supplier's performance
21.1 Delivery of the goods and performance of services shall be made by the supplier in accordance with the time schedule prescribed by the purchaser in the contract.

21.2 If at any time during performance of the contract, the supplier or its subcontractor(s) should encounter conditions impeding timely delivery of the goods and performance of services, the supplier shall promptly notify the purchaser in writing of the fact of the delay, its likely duration and its cause(s). As soon as practicable after receipt of the supplier's notice, the purchaser shall evaluate the situation and may at his discretion extend the supplier's time for performance, with or without the imposition of penalties, in which case the extension shall be ratified by the parties by amendment of contract.

21.3 No provision in a contract shall be deemed to prohibit the obtaining of supplies or services from a national department, provincial department, or a local authority.

21.4 The right is reserved to procure outside of the contract small quantities or to have minor essential services executed if an emergency arises, the
supplier's point of supply is not situated at or near the place where the supplies are required, or the supplier's services are not readily available.

21.5 Except as provided under GCC Clause 25, a delay by the supplier in the performance of its delivery obligations shall render the supplier liable to the imposition of penalties, pursuant to GCC Clause 22, unless an extension of time is agreed upon pursuant to GCC Clause 21.2 without the application of penalties.

21.6 Upon any delay beyond the delivery period in the case of a supplies contract, the purchaser shall, without canceling the contract, be entitled to purchase supplies of a similar quality and up to the same quantity in substitution of the goods not supplied in conformity with the contract and to return any goods delivered later at the supplier's expense and risk, or to cancel the contract and buy such goods as may be required to complete the contract and without prejudice to his other rights, be entitled to claim damages from the supplier.

22. Penalties

22.1 Subject to GCC Clause 25, if the supplier fails to deliver any or all of the goods or to perform the services within the period(s) specified in the contract, the purchaser shall, without prejudice to its other remedies under the contract, deduct from the contract price, as a penalty, a sum calculated on the delivered price of the delayed goods or unperformed services using the current prime interest rate calculated for each day of the delay until actual delivery or performance. The purchaser may also consider termination of the contract pursuant to GCC Clause 23.

23. Termination for default

23.1 The purchaser, without prejudice to any other remedy for breach of contract, by written notice of default sent to the supplier, may terminate this contract in whole or in part:

(a) if the supplier fails to deliver any or all of the goods within the period(s) specified in the contract, or within any extension thereof granted by the purchaser pursuant to GCC Clause 21.2;

(b) if the Supplier fails to perform any other obligation(s) under the contract; or

(c) if the supplier, in the judgment of the purchaser, has engaged in corrupt or fraudulent practices in competing for or in executing the contract.

23.2 In the event the purchaser terminates the contract in whole or in part, the purchaser may procure, upon such terms and in such manner as it deems appropriate, goods, works or services similar to those undelivered, and the supplier shall be liable to the purchaser for any excess costs for such similar goods, works or services. However, the supplier shall continue performance of the contract to the extent not terminated.

23.3 Where the purchaser terminates the contract in whole or in part, the purchaser may decide to impose a restriction penalty on the supplier by prohibiting such supplier from doing business with the public sector for a period not exceeding 10 years.

23.4 If a purchaser intends imposing a restriction on a supplier or any
23.5 Any restriction imposed on any person by the Accounting Officer / Authority will, at the discretion of the Accounting Officer / Authority, also be applicable to any other enterprise or any partner, manager, director or other person who wholly or partly exercises or exercised or may exercise control over the enterprise of the first-mentioned person, and with which enterprise or person the first-mentioned person, is or was in the opinion of the Accounting Officer / Authority actively associated.

23.6 If a restriction is imposed, the purchaser must, within five (5) working days of such imposition, furnish the National Treasury, with the following information:

(i) the name and address of the supplier and / or person restricted by the purchaser;
(ii) the date of commencement of the restriction
(iii) the period of restriction; and
(iv) the reasons for the restriction.

These details will be loaded in the National Treasury’s central database of suppliers or persons prohibited from doing business with the public sector.

23.7 If a court of law convicts a person of an offence as contemplated in sections 12 or 13 of the Prevention and Combating of Corrupt Activities Act, No. 12 of 2004, the court may also rule that such person’s name be endorsed on the Register for Tender Defaulters. When a person’s name has been endorsed on the Register, the person will be prohibited from doing business with the public sector for a period not less than five years and not more than 10 years. The National Treasury is empowered to determine the period of restriction and each case will be dealt with on its own merits. According to section 32 of the Act the Register must be open to the public. The Register can be perused on the National Treasury website.

24. Anti-dumping and countervailing duties and rights

24.1 When, after the date of bid, provisional payments are required, or anti-dumping or countervailing duties are imposed, or the amount of a provisional payment or anti-dumping or countervailing right is increased in respect of any dumped or subsidized import, the State is not liable for any amount so required or imposed, or for the amount of any such increase. When, after the said date, such a provisional payment is no longer required or any such anti-dumping or countervailing right is abolished, or where the amount of such provisional payment or any such right is reduced, any such favourable difference shall on demand be paid forthwith by the contractor to the State or the State may deduct such amounts from moneys (if any) which may otherwise be due to the contractor in regard to supplies or services which he delivered or rendered, or is to deliver or render in terms of the contract or any other contract or any other amount which
25. Force Majeure

25.1 Notwithstanding the provisions of GCC Clauses 22 and 23, the supplier shall not be liable for forfeiture of its performance security, damages, or termination for default if and to the extent that his delay in performance or other failure to perform his obligations under the contract is the result of an event of force majeure.

25.2 If a force majeure situation arises, the supplier shall promptly notify the purchaser in writing of such condition and the cause thereof. Unless otherwise directed by the purchaser in writing, the supplier shall continue to perform its obligations under the contract as far as is reasonably practical, and shall seek all reasonable alternative means for performance not prevented by the force majeure event.

26. Termination for Insolvency

26.1 The purchaser may at any time terminate the contract by giving written notice to the supplier if the supplier becomes bankrupt or otherwise insolvent. In this event, termination will be without compensation to the supplier, provided that such termination will not prejudice or affect any right of action or remedy which has accrued or will accrue thereafter to the purchaser.

27. Settlement of Disputes

27.1 If any dispute or difference of any kind whatsoever arises between the purchaser and the supplier in connection with or arising out of the contract, the parties shall make every effort to resolve amicably such dispute or difference by mutual consultation.

27.2 If, after thirty (30) days, the parties have failed to resolve their dispute or difference by such mutual consultation, then either the purchaser or the supplier may give notice to the other party of his intention to commence with mediation. No mediation in respect of this matter may be commenced unless such notice is given to the other party.

27.3 Should it not be possible to settle a dispute by means of mediation, it may be settled in a South African court of law.

27.4 Mediation proceedings shall be conducted in accordance with the rules of procedure specified in the SCC.

27.5 Notwithstanding any reference to mediation and/or court proceedings herein,

(a) the parties shall continue to perform their respective obligations under the contract unless they otherwise agree; and

(b) the purchaser shall pay the supplier any monies due the supplier.

28. Limitation of Liability

28.1 Except in cases of criminal negligence or willful misconduct, and in the case of infringement pursuant to Clause 6;

(a) the supplier shall not be liable to the purchaser, whether in contract, tort, or otherwise, for any indirect or consequential loss or damage, loss of use, loss of production, or loss of profits or interest costs, provided that this exclusion shall not apply to any obligation of the supplier to pay penalties and/or damages to the purchaser; and
29. Governing language

29.1 The contract shall be written in English. All correspondence and other documents pertaining to the contract that is exchanged by the parties shall also be written in English.

30. Applicable law

30.1 The contract shall be interpreted in accordance with South African laws, unless otherwise specified in SCC.

31. Notices

31.1 Every written acceptance of a bid shall be posted to the supplier concerned by registered or certified mail and any other notice to him shall be posted by ordinary mail to the address furnished in his bid or to the address notified later by him in writing and such posting shall be deemed to be proper service of such notice.

31.2 The time mentioned in the contract documents for performing any act after such aforesaid notice has been given, shall be reckoned from the date of posting of such notice.

32. Taxes and duties

32.1 A foreign supplier shall be entirely responsible for all taxes, stamp duties, license fees, and other such levies imposed outside the purchaser’s country.

32.2 A local supplier shall be entirely responsible for all taxes, duties, license fees, etc., incurred until delivery of the contracted goods to the purchaser.

32.3 No contract shall be concluded with any bidder whose tax matters are not in order. Prior to the award of a bid the Department must be in possession of a tax clearance certificate, submitted by the bidder. This certificate must be an original issued by the South African Revenue Services.

33. National Industrial Participation (NIP) Programme

33.1 The NIP Programme administered by the Department of Trade and Industry shall be applicable to all contracts that are subject to the NIP obligation.

34. Prohibition of Restrictive practices

34.1 In terms of section 4 (1) (b) (iii) of the Competition Act No. 89 of 1998, as amended, an agreement between, or concerted practice by, firms, or a decision by an association of firms, is prohibited if it is between parties in a horizontal relationship and if a bidder (s) is / are or a contractor(s) was / were involved in collusive bidding (or bid rigging).

34.2 If a bidder(s) or contractor(s), based on reasonable grounds or evidence obtained by the purchaser, has / have engaged in the restrictive practice referred to above, the purchaser may refer the matter to the Competition Commission for investigation and possible imposition of administrative penalties as contemplated in the Competition Act No. 89 of 1998.
34.3 If a bidder(s) or contractor(s), has / have been found guilty by the Competition Commission of the restrictive practice referred to above, the purchaser may, in addition and without prejudice to any other remedy provided for, invalidate the bid(s) for such item(s) offered, and / or terminate the contract in whole or part, and / or restrict the bidder(s) or contractor(s) from conducting business with the public sector for a period not exceeding ten (10) years and / or claim damages from the bidder(s) or contractor(s) concerned.
DEA AS AN ORGAN OF STATE SUBSCRIBES TO AND PROPAGATES BOTH THE NOTION OF BROAD BASED BLACK ECONOMIC EMPOWERMENT (BBBEE) ACT, No. 53 of 2003 AND THE PREFERENTIAL PROCUREMENT POLICY FRAMEWORK ACT, No. 5 of 2000

TERMS OF REFERENCE FOR OUTSOURCING OF THE DEVELOPMENT OF AN ENVIRONMENTAL MANAGEMENT FRAMEWORK FOR THE VREDEFORT DOME WORLD HERITAGE SITE

PART ONE

1. REQUEST FOR PROPOSAL

The objective of this request for proposal is to appoint an independent, professional and suitably qualified Service provider/s to support the Department of Environmental Affairs (DEA) in collaboration with the North West Provincial Department of Agriculture, Conservation, Environment and Rural Development (DACERD) and the Free State Provincial Department of Economic Development, Tourism and Environmental Affairs (DETEA), with the development of the Environmental Management Framework (EMF) for the Vredefort Dome World Heritage Site (VDWHS) covering the Fezile Dabi District Municipality comprising of Ngwathe Local Municipality and Moqhaka Local Municipality.

2. OBJECTIVE

The objective of the EMF is to guide sustainable land use management and development within and around the VDWHS.

3. SCOPE AND EXTENT OF WORK

The role of the Service Provider/s is to assist the DEA, in collaboration with DACERD and DETEA and other sector departments to develop an EMF for the Vredefort Dome WHS and Fezile Dabi District Municipality in terms of the National Environmental Management Act (NEMA) 107 of 1998 Section 24(3) read in conjunction with Regulation 3 - 5 of the NEMA EMF Regulations (2010). In addition to Vredefort Dome WHS, this EMF will cover the following local municipalities within Fezile Dabi District Municipality:

- Moqhaka Local Municipality and
- Ngwathe Local Municipality.
3.1 BACKGROUND OF THE STUDY AREA

In terms of the current institutional reality the VDWHS is located within both the Free State and the North West Provinces. The VDWHS was inscribed in the UNESCO World Heritage List in 2005 and is currently in the process of being proclaimed a World Heritage Site under the World Heritage Convention Act, 1999 (Act No 49 of 1999). The geographical area of VDWHS straddles the institutional entities of Dr. Kenneth Kaunda District Municipality, in the Free State province, and the Fezile Dabi District Municipality, in the North West province, respectively. According to the Technical Evaluation Report of IUCN the area on the Free State side comprises 11 252 hectares while 18 859 hectares are in the North West province as depicted in figure 1 above. Government Gazette Notice No. 30590 of 18 December 2007 indicates the buffer of approximately 14 422 hectares for the area.

This situation implies that Tlokwe Local Municipality in the North West, Ngwathe and Moqhaka Local Municipalities in the Free State are involved in rendering statutory planning functions within the VDWHS and thus in the processing of land use and development applications and management of building and development control. This results in the disposition that various policies, planning instruments and guidelines are being used to manage land use and development.
for different geographical entities within the VDWHS. It is, therefore, required that a single EMF be developed to guide land use management in the VDWHS. Tlokwe Local Municipality on the North West province has already compiled and completed an EMF for the area of jurisdiction. Therefore, to avoid unnecessary duplication and wastage of resources the VDHWS EMF will exclude the Tlokwe Local Municipality. However, the final VDWHS EMF will incorporate Tlokwe Local Municipality EMF as part of the entire VDWHS EMF.

Ngwathe and Moqhaka Local Municipalities do not have an EMF as a development guiding tool in their respective areas of jurisdiction. Therefore the VDHWS EMF will focus on the two local municipalities and the Vredefort Dome. A detailed investigation needs to be done at the Vredefort Dome than at the two municipalities because of the sensitivity and development pressures experienced in the area. Alignment of the Tlokwe Local Municipality EMF with the resultant VDWHS EMF and Spatial Development Framework is a requirement to the fulfillment of VDWHS EMF objective.

**NB: Bidders should note that VDHWS EMF and SDF for the two local municipalities will be produced concurrently. SDF for the two municipalities will compliment SEMP phase of the VDWHS EMF.**

### 3.2 STRUCTURE OF THE VDWHS EMF

The structure of the VDHWS EMF report will comprise of one document covering three chapters, namely; the Vredefort Dome (Chapter 1), Ngwathe Local Municipality (Chapter 2) and Moqhaka Local Municipality (Chapter 3). In-depth investigation should be focused on the Dome as explained above. Furthermore, the national significance of the Vredefort Dome should be outlined in terms of the Vredefort Dome’s Outstanding Universal Value (OUV). The use of existing plans, policies and studies completed on the two local municipalities should be sourced and referenced. Furthermore, intensive ground-truthing should be carried out to align the studies with the VDWHS objective.

### 3.3 PROJECT MANAGEMENT MEETINGS

After appointment, the consultant/s will meet with the relevant DEA officials to:

- **3.3.1** Establish a project management team (PMT) which should include DEA, DACERD, DETEA, Tlokwe, Ngwathe and Moqhaka Local Municipalities.

- **3.3.2** Agree upon the roles and responsibilities of the PMT.

- **3.3.3** In addition to above PMT role-players, a Project Steering Committee (PSC) should be established. This PSC composition includes, but not confined to, national environmental sector departments such as the Department of Water Affairs (DWA), Department of Mineral Resources (DMR), Department of Energy (DoE), Department of Co-operative Governance and Traditional Affairs (Cogta), Department of Arts and Culture, and Department of Agriculture (DoA). Local environmental agencies, conservation groups, businesses, community-based organizations (CBOs), knowledge institutions, non-governmental organization (NGOs), traditional and cultural leaders.
3.3.4 Agree upon the roles and responsibilities of the PSC.

3.3.5 Agree upon the stakeholder groups to be included in the public participation process (PPP).

3.3.6 Confirm the scope of work for the project.

3.3.7 Agree upon the project plan and the time frames for the deliverables.

3.3.8 Agree on the number of PSC meetings as well as an ideal venue for such meetings.

3.3.9 Agree on the methodology and approach of the project.

3.3.10 Agree on the public participation strategy and the extent of public coverage and consultation.

3.3.11 Progress meetings and reports shall be submitted at intervals agreed upon with the project team.

3.3.12 Document workshops and PSC meetings held and recorded. Action based minutes of the PSC meetings and any other meetings must be taken by the service provider/s and forwarded to the PSC within a week after the meeting.

3.3.13 NB: Over and above the public participation meetings, the development of an EMF will involve approximately 10 project steering committee meetings (to be agreed upon at the inception meeting). Venues of meetings will be decided upon by the PSC but will likely to be convened at the offices of DEA in Pretoria. Bidders are therefore advised to take this into account in their quotation.

3.4 LITERATURE REVIEW

The consultancy team should ensure that the project takes cognizance of all relevant legislation and guideline documentation, but not limited to:

3.4.1 Generic Environmental and other relevant legislation:

- The National Environmental Management Act (Act 107 of 1998, 'NEMA'), as amended
- All the Specific Environmental Management Acts (SEMAs) promulgated in terms of NEMA, 1998, as amended. Such as
  - National Environmental Management: Air Quality Act
  - National Environmental Management: Biodiversity Act
  - National Environmental Management: Waste Act
- The NEMA EMF Regulations of 2010 promulgated in terms NEMA, 1998, as amended.
- World Heritage Convention Act (Act 49 of 1999)
- Draft Vredefort Dome Regulations
- National Heritage Resources Act (Act 25 of 1999)
- Conservation of Agricultural Resources Act (Act 43 of 1983).
- Water Services Act (Act 107 of 1997)
- Civil Aviation Act
- Tourism Act, 1993
- Electricity Regulation Act (Act 4 of 2006)
- Intergovernmental Relations Framework Act (Act 13 of 2005)
- The Development Facilitation Act ‘DFA’ (Act 67 of 1996,)
- Municipal Systems Act of 2002
- Municipal Structures Act
- Provincial legislations and ordinances.
- Local Government By-Laws.

3.4.2 National, Provincial and Municipal Documentation / Studies:

- Operational Guidelines for the implementation of the World Heritage Convention
- The Guideline Document developed by the National Department of Environmental Affairs and Tourism on Strategic Environmental Assessment in South Africa, February 2007.
- National Heritage Bill
- Department of Arts and Culture Annual Report 2006/2007
- Provincial, National and Local air quality intervention strategies.
- Department of Water Affairs Integrated Catchment Management Studies
- National Protected Area Expansion Strategy, DEAT/SANBI, 2008
- All relevant Information from SANBI’s Biodiversity GIS programme.
- Department of Agriculture, Forestry and Fisheries (DAFF) Agricultural Strategic Plan 2009/2010.
- The North West Provincial Growth and Development Strategy (PGDS).
- Free State Provincial Growth and Development Strategy (PGDS).
- The Free State SOER.
- Any relevant EIA studies that are currently being undertaken or planned in the study area.
- State of local Government in South Africa of 2009
- Guideline document of provincial-local intergovernmental relations
- The current Integrated Development Plan for the relevant afore-mentioned district and local municipalities within VDWHS.
- The Integrated Spatial Development Framework for the afore-mentioned district and local municipalities within VDWHS.
- Tlokwe Local Municipality EMF, 2010.
- Any relevant strategic planning documents compiled by the afore-mentioned district and local municipalities within VDWHS.
- National Biodiversity Framework
3.5 EMF report

3.5.1 The Status Quo report which is a spatial representation of the status quo of the environment must indicate, inter alia:

3.5.1.1. Important biodiversity conservation areas and sensitive natural environments such as riparian areas, wetlands, ridges, grassland areas, and potential red data fauna and flora habitat

3.5.1.2. Threatened ecosystems and species (as identified for listing in National Environmental Management: Biodiversity Act)

3.5.1.3. Establish the baseline air quality status including a separate GIS layer indicating current ambient air quality.

3.5.1.4. Areas unsuitable for human habitation due to the history of the area or incompatible adjacent land use (e.g. due to dolomitic conditions or sites previously used for disposal of waste by landfill).

3.5.1.5. Status of required primary resources (water availability or other limiting resources)

3.5.1.6. Cultivated areas / or previously cultivated areas/ or areas potentially suitable for agriculture.

3.5.1.7. Categorization of areas unsuitable for development due to its high agricultural resource potential and envisaged /or current impact on these areas by development thus far.

3.5.1.8. A spatial representation of land uses and actual uses of land.

3.5.1.9. Identification of lawful and unlawful land uses in the area

3.5.1.10. Current allocations for prospecting rights, mining permits and rights.

3.5.1.11. Other spatially defined environmental NGO initiatives in the study area

3.5.1.12. EIA applications authorized and pending. The service provider/s (consultants) must consider all previous and current EIA studies and Environmental Management Plans.

3.5.1.13. The service provider/s must consider all previous and current MPRDA applications undertaken in the area.

3.5.1.14. The compilation of socio-economic profile and infrastructure of the area:
   - Demographic and economic profiling
   - Assessment of the age and heritage status of the area
   - Settlement patterns and associated infrastructure
- Status of services and infrastructure
- Transportation network inventory

3.5.1.15. Identification of the key agricultural issues/indicators in the study area (emphasis to be placed upon urban sprawl, agricultural resource potential, geology, hydrology, etc.).

3.5.1.16. Aerial photograph of the area

3.5.1.17. A composite site sensitivity plan of the study area as well as Outstanding Universal Value of the Vredefort Dome.

3.5.1.18. A review and comparison of all relevant spatial plans and other planning documents for the area.

3.5.1.19. A spatial representation of planned and/or existing land uses that are potentially in conflict over the same land and other resources.

3.5.1.20. Status of existing services provision by the four different Local Municipalities mentioned in point 2 (scope of work).

3.5.1.21. Electricity generation, transmission and generation infrastructure both existing and planned.

3.5.1.22. State of open space availability/provisions in the area.

3.5.1.23. Identification of social and economic conditions of the area.

3.5.1.24. Identification of the key environmental issues (opportunities and constraints) in the study area.

Additional notes

3.5.1.25. The Status Quo report must specify the attributes of the environment in the area, including the sensitivity, extent, interrelationships and significance of those attributes.

3.5.1.26. During the preparation of the Status Quo report, data collection must include ground truthing to justify findings of the information sourced and generation of necessary information in areas where no information is available. This EMF will require detailed collection of data.

3.5.1.27. Site visit for PMT and PSC members must be conducted.

3.5.1.28. A draft of this report must be submitted to the project team for comments prior to finalisation. This report will form the basis of consultation to establish the desired state of the environment and develop strategies to be implemented in order to guide development in the study area.
NB: The above are merely broad guidelines and detail discussions will take place with the successful appointee during the inception meeting.

3.5.2 The Desired State of the Environment

3.5.2.1. The Status Quo Report must be used to facilitate a consultative public participation process through which the desired state of the environment for the area will be established.

3.5.2.2. This desired state of the environment must be spatially represented in the same format as in the status quo report to enable comparison.

3.5.2.3. The desired state must be compiled using a comparison analysis on the findings of the Status Quo Report.

3.5.2.4. The desired state report will need to detail the identified conflicts over land use planning and identify strategies for dealing with conflicts.

3.5.3 Environmental Management Zones

3.5.3.1. Based on the spatial component of the desired state of the environment and bio-physical constraints and opportunities, the study area must be divided into environmental management zones. The purpose of such strategic environmental zoning would be to facilitate future decision-making on environmental requirements and acceptability of development applications. This must include a spatial representation of such zoning within the area in respect of one or more activities in a manner that will be identified.

3.5.3.2. Areas in which the undertaking of an activity should be allowed to take place without further investigation (desirable);

3.5.3.3. Areas in which the undertaking of an activity may be allowed subject to an environmental authorisation being granted in terms of the NEMA EIA Regulations (conditional to management guidelines as per management zone); and

3.5.3.4. Areas in which the undertaking of an activity should not be considered (undesirable);

3.5.4 Strategic Environmental Management Plan

3.5.4.1. A Strategic Environmental Management Plan (SEMP) that will address management guidelines and responsibilities, which will include but will not be limited to;

3.5.4.2. A strategy for maintaining productive agricultural activity on land where agriculture has been identified as a feasible and desired land use;
3.5.4.3. A strategy for maintaining biodiversity conservation on land where biodiversity conservation has been identified as a feasible and desirable land use;

3.5.4.4 A strategy for maintaining land as open spaces where identified as appropriate;

3.5.4.5 A strategy where feasible developments activities may be allowed to proceed without an EIA authorization.

3.5.4.6 The SEMP document must include all relevant action plans required for the implementation of the EMF linked to institutional framework, a system to evaluate, monitor and report on progress made towards the state of the environment and land uses in the study area. A realistic set of parameters coupled with measurable time scales must be developed.

3.5.4.7 A draft copy of the report must be circulated for comment to identified stakeholders. After incorporation of comments, the draft EMF would need to be work shopped with the project team and the relevant officials of the local authority.

3.5.4.8 The service provider must then effect the changes derived from the workshop. The outcomes of the EMF can also be used to demarcate inclusion and exclusion areas, or areas of particular sensitivity in terms of the proposed NEMA EIA Regulations list of activities.

3.5.4.9 A strategy to maintain heritage status of the Vredefort Dome.

3.5.4.10 A strategy to enhance resource economics of the entire study area.

3.5.4.11 A strategy to promote eco-tourism in the study area.

3.5.4.12 Contents of the SDF will have to be in line with the provisions as contained in the VDWHS EMF SEMP

3.6 DELIVERABLES

3.6.1 Draft Environmental Status Quo Report.

3.6.2 Final Environmental Status Quo Report.

3.6.4 Final Desired State of the Environment.

3.6.5 Environmental Management Zones.

3.6.6 Draft Strategic Environmental Management Plan and draft Spatial Development Framework (SDF).
3.6.7 Final Strategic Environmental Management Plan and SDF.

3.6.8 Draft Environmental Management Framework and SEMP.

3.6.9 Final Environmental Management Framework (EMF) and interactive GIS.

3.6.10 Action plan(s) for the implementation and monitoring of the EMF.

3.6.11 Glossy summary report.

ADDITIONAL NOTES

3.6.13 Before the final EMF is handed over to the Department, the service provider must prepare the training manual and provide GIS training to officials of DEA, DACERD, DTEEA and identified local municipalities.

3.6.14 Power Point presentation of the outputs of the project a copy must be available to the project team.

3.6.15 The service provider is required to provide electronic copies and hard copies of all draft reports, but must supply hard copies, and electronic copies of the final documents to DEA, DACERD, DETEA, identified local municipalities and any other relevant stakeholders.

3.6.16 All GIS spatial information must be provided in three (3) external portable devices

NB: It should be noted that the intellectual property rights of the VDWHS EMF product rest with the client (state) and not the consultant. Therefore, any use and/or copy of the information for any other purposes other than that of a client is prohibited unless permission is granted by the client.

4. TIMING OF ASSIGNMENT

All work is to be carried out in accordance with the time schedule as agreed with the Programme Manager. Please refer to Annexure A: Performance Measures

5. PROJECT QUOTATION AND PERFORMANCE MEASURES

A detailed project budget must be provided in accordance with the performance measures (Annexure A). Each proposed project activity should be analysed in terms of the required inputs and these inputs must be costed. The performance measures (Annexure A) for the delivery of the EMF will be closely monitored by DEA, DACERD, DETEA and the identified Local Municipalities.
6. REPORTING

The service provider/s will submit monthly progress reports to the Project Manager, within 4 working days after the end of each month for the entire duration of the project.

7. MONITORING PROGRESS ON ASSIGNMENTS

The National and Provincial Project Manager shall do the ongoing management of the service level agreement.

8. CONTINUITY AND PROFILE OF SENIOR STAFF ON THE PROJECT

The service provider/s must guarantee the presence of the senior in charge of fieldwork throughout the duration of the contract. If the senior has to leave the project, a period of at least a month is required in which the senior must work parallel with the next person (senior consultant with appropriate expertise and experience) appointed to be able to transfer skills and knowledge.

9. CONDITIONS OF TENDER

9.1 Bids will be subject to Supply Chain Management conditions as follows:

9.1.1 The Preferential Procurement Policy Framework Act (Act No. 05 of 2000) will apply to this bid. The 90/10 principle is applicable, where the 90 points will be for price only and the remaining 10 points will be used for equity ownership/or achieving of the prescribed RDP goals.

9.1.2 In accordance with this Act, submissions will be adjudicated in two stages: firstly, on functionality which must be done in terms of the evaluation criteria indicated in section 15 and the minimum threshold referred to in paragraph 10.4 below. Bidders who fail to meet the minimum threshold for functionality as per the bid invitation will be disqualified and secondly, only the qualifying bids will be evaluated in terms of the 90/10 preference points systems, where the 90 points will be used for price only and the 10 points are used for HDI, Women and Disability ownership.

9.2 The proposal should include, amongst others, the following:

9.2.1 A proposed plan of action (per deliverable).

9.2.2 A list of references;

9.2.3 Ability to ensure continuing of staff on the project.
9.2.4 Process for legal and technical review.

10. SPECIAL CONDITIONS

10.1 The bidders must submit Curriculum Vitae (CVs) of the staff who will be available for the duration of the work. **NOTE: Failure to submit the CV's will invalidate your bid proposal.**

10.2 The bid proposals should be submitted with all required information containing technical information as well as price information. Tax Clearance Certificate(s) and bank clearance certificate(s) must be part of the bidding documents. The successful consultancy team's expertise should include but not be limited to the following (please provide relevant CV's):

- Environmental management proficiency.
- Ecological and agricultural background.
- Planning skills (Town Planning, Landscape Architecture, and Engineering).
- Resource Economics.
- Facilitation skills.
- Project management.
- Report writing skills.
- Administrative support.
- GIS Skills.
- Knowledge of all the legal provisions stated in Section 3.4.
- Research skills.

10.3 CVs for each member on the team, detailing their qualifications with certified copies of originals and experience relevant to this request, must be included in the proposal submitted to the Department. The references must be traceable. In addition, each proposed member must submit a signed declaration that indicates his or her involvement with a project that may be affected by the Scope of Works for this project. This is required to ensure the objectivity of the team.

10.4.1 Only bidders who score at least 40 points for the technical information will be preferred.

10.5 Supplier/s who claim any preference points for IDI is/are requested to submit certify copy/ies of shares certificate or a certified list of the Board of Directors or Trustees, as may be applicable. **NOTE: Failure to adhere to this condition will invalidate points claimed.**

10.6 Preferences will be given to BEE companies or companies/firms with strong BEE partnerships, in order to address South Africa's socio-economic disparities in line with the Broad Base Black Economic Empowerment legislation.
10.7 A service level agreement shall be signed with the preferred bidder. The successful bidder may not alter its (buy out HDI points) BEE status during the contract period. DEA reserve the right to terminate the contract should the successful bidder no longer meet the BEE requirement.

10.8 DEA reserves the right to invite short listed suppliers/companies to present their bid proposals for final decision.

10.9 Bidders must be prepared to work at rates not exceeding those prescribed by the office of the Auditor-General or the Department of Public Service and Administration (DPSA).

10.10 Suppliers are required to fill the information below:

<table>
<thead>
<tr>
<th>% Management by HDI groups</th>
<th>Number of consultants from HDI groups working on the project</th>
</tr>
</thead>
</table>

11. ADDITIONAL INFORMATION ON BID PROPOSAL

11.1 The supplier / service provider should provide details of staff training, highlighting training and development policies and procedures, with specific reference to affirmative action policies and initiatives.

11.2 A breakdown of the hourly tariff inclusive of value-added tax for services rendered. Expenditure incurred without the prior approval of the Programme manager will not be reimbursed.

11.3 In so far as possible, a comprehensive budget, showing the charge out rates of all the staff to be involved in investigations and also including all other miscellaneous costs factors (such as traveling, accommodation, etc).

11.4 How a joint venture (if the bidders are a joint venture between a BEE firm and a non BEE firm) will split the work between the firms. The detail must be such that DEA can audit the actual work allocation during the delivery to enforce the transfer of skills between the two firms. *(The percentage involvement of each company in the joint venture should also be indicated).* Please note that all members of the joint venture should sign the contract and are jointly and severally liable for the entire assignment.

11.5 DEA will not be held responsible for any costs incurred by the bidder in the preparation and submission of the bids.
11.6 Please take note that DEA is not bound to select any of the firms submitting proposals. DEA reserves the right not to award any of the bids and not to award the contract to the lowest bidding price as well as to renegotiate the bid of the preferred applicant.

11.7 Traveling costs and time spent or incurred between home and office of consultants and DEA head office will not be for the account of DEA.
