THE NATIONAL INDUSTRIAL PARTICIPATION PROGRAMME

INTRODUCTION

The National Industrial Participation (NIP) Programme, which is applicable to all government procurement contracts that have an imported content, became effective on the 1 September 1996. The NIP policy and guidelines were fully endorsed by Cabinet on 30 April 1997. In terms of the Cabinet decision, all state and parastatal purchases / lease contracts (for goods, works and services) entered into after this date, are subject to the NIP requirements. NIP is obligatory and therefore must be complied with. The Industrial Participation Secretariat (IPS) of the Department of Trade and Industry (DTI) is charged with the responsibility of administering the programme.

1 PILLARS OF THE PROGRAMME

1.1 The NIP obligation is benchmarked on the imported content of the contract. Any contract having an imported content equal to or exceeding US$ 10 million or other currency equivalent to US$ 10 million will have a NIP obligation. This threshold of US$ 10 million can be reached as follows:

(a) Any single contract with imported content exceeding US$10 million.

or

(b) Multiple contracts for the same goods, works or services each with imported content exceeding US$3 million awarded to one seller over a 2 year period which in total exceeds US$10 million.

or

(c) A contract with a renewable option clause, where should the option be exercised the total value of the imported content will exceed US$10 million.

or

(d) Multiple suppliers of the same goods, works or services under the same contract, where the value of the imported content of each allocation is equal to or exceeds US$ 3 million worth of goods, works or services to the same government institution, which in total over a two (2) year period exceeds US$10 million.

1.2 The NIP obligation applicable to suppliers in respect of sub-paragraphs 1.1 (a) to 1.1 (c) above will amount to 30 % of the imported content whilst suppliers in respect of paragraph 1.1 (d) shall incur 30% of the total NIP obligation on a pro-rata basis.

1.3 To satisfy the NIP obligation, the DTI would negotiate and conclude agreements such as investments, joint ventures, sub-contracting, licensee production, export promotion, sourcing arrangements and research and development (R&D) with partners or suppliers.
1.4 A period of seven years has been identified as the time frame within which to discharge the obligation.

2 REQUIREMENTS OF THE DEPARTMENT OF TRADE AND INDUSTRY

2.1 In order to ensure effective implementation of the programme, successful bidders (contractors) are required to, immediately after the award of a contract that is in excess of **R10 million** (ten million Rands), submit details of such a contract to the DTI for reporting purposes.

2.2 The purpose for reporting details of contracts in excess of the amount of R10 million (ten million Rands) is to cater for multiple contracts for the same goods, works or services; renewable contracts and multiple suppliers for the same goods, works or services under the same contract as provided for in paragraphs 1.1 (b) to 1.1 (d) above.

3 BID SUBMISSION AND CONTRACT REPORTING REQUIREMENTS OF BIDDERS AND SUCCESSFUL BIDDERS (CONTRACTORS)

3.1 Bidders are required to sign and submit this Standard Bidding Document (SBD 5) together with the bid on the closing date and time.

3.2 In order to accommodate multiple contracts for the same goods, works or services; renewable contracts and multiple suppliers for the same goods, works or services under the same contract as indicated in sub-paragraphs 1.1 (b) to 1.1 (d) above and to enable the DTI in determining the NIP obligation, successful bidders (contractors) are required, immediately after being officially notified about any successful bid with a value in excess of R10 million (ten million Rands), to contact and furnish the DTI with the following information:

- Bid / contract number.
- Description of the goods, works or services.
- Date on which the contract was accepted.
- Name, address and contact details of the government institution.
- Value of the contract.
- Imported content of the contract, if possible.

3.3 The information required in paragraph 3.2 above must be sent to the Department of Trade and Industry, Private Bag X 84, Pretoria, 0001 for the attention of Mr Elias Malapane within five (5) working days after award of the contract. Mr Malapane may be contacted on telephone (012) 394 1401, facsimile (012) 394 2401 or e-mail at Elias@thedti.gov.za for further details about the programme.

4 PROCESS TO SATISFY THE NIP OBLIGATION

4.1 Once the successful bidder (contractor) has made contact with and furnished the DTI with the information required, the following steps will be followed:

a. the contractor and the DTI will determine the NIP obligation;

b. the contractor and the DTI will sign the NIP obligation agreement;
c. the contractor will submit a performance guarantee to the DTI;

d. the contractor will submit a business concept for consideration and approval by the DTI;

e. upon approval of the business concept by the DTI, the contractor will submit detailed business plans outlining the business concepts;

f. the contractor will implement the business plans; and

g. the contractor will submit biannual progress reports on approved plans to the DTI.

4.2 The NIP obligation agreement is between the DTI and the successful bidder (contractor) and, therefore, does not involve the purchasing institution.

CERTIFICATE OF INDEPENDENT BID DETERMINATION

1 This Standard Bidding Document (SBD) must form part of all bids invited.

2 Section 4 (1) (b) (iii) of the Competition Act No. 89 of 1998, as amended, prohibits an agreement between, or concerted practice by, firms, or a decision by an association of firms, if it is between parties in a horizontal relationship and if it involves collusive bidding (or bid rigging). Collusive bidding is a "per se" prohibition meaning that it cannot be justified under any grounds.

3 Treasury Regulation 16A9 prescribes that accounting officers and accounting authorities must take all reasonable steps to prevent abuse of the supply chain management system and authorizes accounting officers and accounting authorities to:
   a. disregard the bid of any bidder if that bidder, or any of its directors have abused the institution's supply chain management system and or committed fraud or any other improper conduct in relation to such system.
   b. cancel a contract awarded to a supplier of goods and services if the supplier committed any corrupt or fraudulent act during the bidding process or the execution of that contract.

4 This SBD serves as a certificate of declaration that would be used by institutions to ensure that, when bids are considered, reasonable steps are taken to prevent any form of bid-rigging.

5 In order to give effect to the above, the attached Certificate of Bid Determination (SBD 9) must be completed and submitted with the bid:

1 Includes price quotations, advertised competitive bids, limited bids and proposals.

2 Bid rigging (or collusive bidding) occurs when businesses, that would otherwise be expected to compete, secretly conspire to raise prices or lower the quality of goods and / or services for purchasers who wish to acquire goods and / or services through a bidding process. Bid rigging is, therefore, an agreement between competitors not to compete.
CERTIFICATE OF INDEPENDENT BID DETERMINATION

I, the undersigned, in submitting the accompanying bid:

(Bid Number and Description)

in response to the invitation for the bid made by:

(Name of Institution)

do hereby make the following statements that I certify to be true and complete in every respect:

   (c) provides the same goods and services as the bidder and/or is in the same line of business as the bidder.
6. The bidder has arrived at the accompanying bid independently from, and without consultation, communication, agreement or arrangement with any competitor. However communication between partners in a joint venture or consortium\(^3\) will not be construed as collusive bidding.

7. In particular, without limiting the generality of paragraphs 6 above, there has been no consultation, communication, agreement or arrangement with any competitor regarding:

   (a) prices;
   (b) geographical area where product or service will be rendered (market allocation)

8. In addition, there have been no consultations, communications, agreements or arrangements with any competitor regarding the quality, quantity, specifications and conditions or delivery particulars of the products or services to which this bid invitation relates.

9. The terms of the accompanying bid have not been, and will not be, disclosed by the bidder, directly or indirectly, to any competitor, prior to the date and time of the official bid opening or of the awarding of the contract.

---

\(^3\) Joint venture or Consortium means an association of persons for the purpose of combining their expertise, property, capital, efforts, skill and knowledge in an activity for the execution of a contract.
10. I am aware that, in addition and without prejudice to any other remedy provided to combat any restrictive practices related to bids and contracts, bids that are suspicious will be reported to the Competition Commission for investigation and possible imposition of administrative penalties in terms of section 59 of the Competition Act No 89 of 1998 and or may be reported to the National Prosecuting Authority (NPA) for criminal investigation and or may be restricted from conducting business with the public sector for a period not exceeding ten (10) years in terms of the Prevention and Combating of Corrupt Activities Act No 12 of 2004 or any other applicable legislation.

TERMS OF REFERENCE DOCUMENT: SUPPLY AND INSTALLATION OF 150 iPad TABLET DEVICES FOR THE DEPARTMENT OF ENVIRONMENTAL AFFAIRS

INTRODUCTION

The Department of Environmental Affairs has identified the need to equip its Senior Managers with Tablet Devices. Extensive Market Research was done and evaluation reports considered for inter alia, support, functionality, security and usability after which a preferred technology was identified.

The Apple iPad 3 was selected as the preferred mobile/tablet device for the Department. To this end various iPad2 devices have already been acquired and used by certain officials of the Department. In order to extend this service, proposals are sought from accredited service providers to equip the Department with the number of required iPad Tablet Devices, covers with integrated Bluetooth keyboards and installation and skills transfer as is required by the Department.

Currently, there is no procurement vehicle for the bulk purchase of any Tablet Devices through the State Information Technology Agency (SITA). As such, the Department will follow a bid process in line the internal Supply Chain Management Unit requirements and aligned to the National Treasury requirements for bids to acquire the iPad Tablet Devices, along with the required accessories and professional services as articulated in Annexure A below.

INFORMATION

The Department’s Senior Management Service (SMS) is spread between Pretoria and Cape Town with offices located in both cities. The recent worldwide release of the latest iPad Tablet Device (iPad3) has prompted the Department to take notice of the new capabilities of this solution. As internal skills are limited around the installation, support and maintenance for this technology, it is an inherent requirement that skills transfer for this be provisioned for in proposals submitted to the Department.
Delivery and installation is required at the Department's Offices in Pretoria and in Cape Town (VA Waterfront), the physical addresses being:

315 Pretorius Street  
Fedsure Forum Building  
Pretoria  
0001

2 East Pier Rd  
East Pier - VA Waterfront  
Cape Town  
8000

The delivery address may be subject to change to an alternate location in Gauteng and or the Western Cape after the bid is awarded and should this be the case the new delivery address will be communicated to the successful bidder. Additionally the quantities of devices to be delivered to Pretoria and Cape Town will be determined by the Department and communicated to the successful bidder at the time of issuing the purchase order.

Critical Success Factors

- Guaranteed delivery within 6 weeks of placement of order.
- Compliance certification with ICASA
- Skills Transfer as per Annexure A

SUMMARY

The Department of Environmental Affairs wishes to receive proposals for iPads and required accessories by close of business Friday 29 June 2012. A compulsory briefing session will be held at the Department's Pretoria Offices on 20 June 2012 at 10:30am.

BID EVALUATION & EVALUATION CRITERIA

BID EVALUATION

A Bid Evaluation Committee will be established by the Department of Environmental Affairs (DEA) comprising representatives of the DEA. The committee will evaluate all bids received by the deadline, according to the criteria indicated here. It will make a recommendation to the DEA (Adjudication Committee) for appointment of the preferred bidder.
The Bid Evaluation Committee reserves the right to call bidders to complete any outstanding elements of their bids, make presentations of their bids, and/or present Best and Final Offers, if required.

The decision of the DEA's (Adjudication Committee) will be final.

Any bidder, which fails to submit any element of the Bid Submission Requirements set out in above, may, at the discretion of the Evaluation Panel, be rejected as unsuitable for evaluation and will therefore not be further considered.

EVALUATION CRITERIA

Bids will be subject to Supply Chain Management Conditions as follows - The Preferential Procurement Policy Framework Act (Act No. 05 of 2000) will apply to this bid. In accordance with this Act, submissions will be adjudicated on two stages: firstly, on functionality/technical expertise which must be done in terms of the evaluation criteria indicated in the table below and the minimum threshold of 45 points out of 60. A bid must be disqualified if it fails to meet the minimum threshold for functionality/technical expertise as per the invitation and secondly, only the qualifying proposals will be evaluated in terms of the 90/10 preference points systems, where the 90 points will be used for price only and the 10 points will be awarded in terms of the of the B-BBEE Contributor level as per the B-BBEE Verification Certificate submitted by the service provider.

Bidders must motivate what experience and expertise they have in delivering professional expertise in the ICT skills field.

Bidders must state who will manage, mentor and work on this project should they be awarded this tender, and provide CVs of these people in order to determine their experience and expertise with such projects.

Bidders must provide all information necessary to calculate the points as per the criteria detailed below. Failure to do this may result in zero points being awarded for the applicable criteria.

1.1. Suppliers/Service Providers are requested to submit the original and valid B-BBEE Status Level Verification Certificate or certified copies thereof issued by verification agencies accredited by SANAS or registered auditors approved by IRBA together with their bids, to substantiate their B-BBEE rating claims, failing which the B-BBEE preference points claimed will be forfeited.
1.2. Bidders who do not submit B-BBEE Status Level Verification Certificates or are non-compliant contributors to B-BBEE do not qualify for preference points for B-BBEE but will not be disqualified from the bidding process. They will score zero (0) points out of 10 for B-BBEE.

1.3 The proposal should include, amongst other, the following:

1.3.1 A Valid original Tax Clearance certificate

1.3.2 In bids where Consortia / Joint Ventures / Sub-contractors are involved, each party must submit a separate Tax Clearance Certificate. Failure to submit the original and valid Tax Clearance Certificate will result in the invalidation of the bid.

1.3.3 Certified copies of the Tax Clearance Certificates will not be accepted.

Evaluation will be based on a point system. The following are the maximum number of points that can be awarded for each category, and the threshold score for each category:
